

February 20, 2010

Dear Supporters of South Saint Paul Kaposia Days:

South Saint Paul is a community that prides itself on tradition and history. Nowhere is this pride more evident than during the annual Kaposia Days festival held on the last weekend of June each year. It is common place to see thousands of residents participating in a multitude of events during this festival, celebrating what is right about our community.

The Kaposia Days Board of Directors is proud to continue this three day run of Kaposia Days, June 25 through June 27, 2010. We are looking forward to another year of fun and community celebration.

Kaposia Days is everything a premiere summer festival should be. From the Grande Parade, one of the states' largest softball tournaments, a variety show, multiple street dances, children's activities, and of course a magnificent fireworks finale, Kaposia Days is widely recognized as one of the state's most successful community festivals.

While similar festivals in nearby communities have struggled in recent years to garner the support needed to be successful, Kaposia Days has thrived because of the generosity of its many sponsors and volunteers. Therefore, if you have been a previous sponsor, we sincerely thank you and hope that we can count on your support once again. If you have not been part of our activity in the past, we ask that you consider becoming a part of this exciting city-wide festival.

Enclosed is a sheet that explains the benefits of each of our sponsorship levels. We ask that you review it carefully, then complete and return the pledge form to our office. If you have any questions, a volunteer will be happy to call on you.

We are excited to present Kaposia Days 2010. We thank you in advance for your consideration and support. We are proud to be a part of your community.

Sincerely,

David VanKempen
Sponsorship Chair
